BEFORE READING

IMPORTANT READER NOTICE

This manual presents the author's spiritual beliefs and personal point of view. Statements about spirits are not established medical or scientific facts. The material is not medical, psychological, drug, water, chemical, dental, fire-safety, or nutrition advice. Do not give another person cannabis, alcohol, sedatives, or other intoxicants without informed consent. Do not drink untreated lake, river, stream, rain, or other unsafe water. Do not use household mixtures on the body, teeth, scalp, fabrics, or surfaces unless a qualified professional confirms the use is safe. Never mix cleaning products unless the combination is known to be safe. Keep flames and smoke away from children, fuels, fabrics, and enclosed spaces. For poisoning, overdose, severe distress, immediate danger, or concern that someone may be harmed, contact emergency services, a poison centre, or a qualified health professional.

DESIGN OF THIS EDITION

Large part openers and formula pages use one column. The longer reading sections use two columns with a centre rule to conserve paper and create a magazine-like rhythm.

08 moon time

do not sleep with partner during moontime. sleep on floor to stop energy loss while sleeping. nature will bless you for this.

09 angry moon

a woman on moontime is attracting every negative spirit because the woman is designed to ensure the king is not happy.

10 sedated moon

give your partner high concentrations of sativa in morning & indicas in the evenings to keep spirits at bay. thc creates space.

11 alcohol is sugar

negative spirits control adults using alcohol and control young children using sugar from pop and cereals. both dirty the blood.

12 witch spirit

witch spirits use the sugar as a way to control children. a witch spirit can control a child to annoy the parents to create anger.

13 under the bed

negative spirits hide under beds. if a child says there is a monster under the bed. listen. children can feel them when under.

14 enticing spirit

enticing spirits will wait by a pillow to influence the human dreams to create an emotion. the emotion is usually fear & pain.

15 food spirit

food spirits wait by kitchen tables in restaurants or homes to wait for a human who is vibrating at similar negative frequency.

16 cat spirit

remove cats from room to ensure negative spirits do not sit and hear all your plans. only to destroy them to hurt the human.

17 parasites

negative spirits use parasites from meat to drive themselves around their heaven created in a fat body. a big belly is poop.

18 fire is fear

all negative spirits fear fire & smoke because it reminds them of hell three where all negative spirits go for hurting humans.

19 sense of smell

50 percent of spirit power is the nose. certain smells will stop 50 percent of spirits that intend harm to the human.

20 attack mom

negative spirits are trained to attack the person in home that does the cooking and cleaning. use drunk kids to annoy mom.

21 bowing

a spirit will stand in front of a human and wait for the human to take a bow to take in the spirit. use legs versus the back.

22 anger feeds

negative spirits are fed by anger from humans. when the spirits are being fed, they convulse with pleasure like cats on catnip.
